

CACG RECOMMENDED MACHINERY SERVICES

1) Andy Tucker,

Chyenhall,

Burnthouse,

Nr. Treluswell,

TR10 9AS

Andrewtucker12@yahoo.co.uk

07425571213

For all types of garden and fine turf machinery, a fully qualified engineer offering servicing, sharpening, repair and overhaul at affordable rates.

Collection and delivery available at mileage costs only.

2)

Harvey Waters,

Agricultural Engineer,

St.Day,

Redruth.

07786861474.

Qualified engineer specialising in Diesel engines and Hydraulic systems, especially outfield mowers and rollers. On site repairs / servicing and has own workshop. Sensible labour rates.

3)

Del Codd,

01209 820075 – 07736 616062

Grounds Association committee member who despite passing his business over to Andy above, continues to offer advice and assistance regarding grounds machinery. Can also provide sharpening / regrinding of cutting cylinders and bottom blades. Also buys, refurbishes and sells quality fine turf mowers, such as Lloyds Paladin, Ransomes Super Certes and Dennis FT, at realistic prices. Can also refurbish your machinery for you subject to age and spares availability.

Has available for hire (cheap) a Verticut machine and 8ft. power sprayer which can be used pedestrian or towed (technically need a spray certificate for herbicide and insecticide but not for liquid fertilisers). Comes with battery charger and full set of instructions.
